The records do not disclose how these Tirtha maryades in the Temple have come into existence ; neither the Amildar nor the S-D-O have ascertained when & under whose orders the said maryades in the Temple have been in practice - No records on the subject are stated to be available in the Tk

when the matter came up before the D.C Hassan he has held that there is no sufficient material to hold that the Mondegalya Gothi people are entitled to the honour they claim the grant of land made by a member of the Gotra does not entitle the members of this Gotra to this honour. In these Circumstances the claim put forward (by the present appellant) has been rejected by him on the score that he was not in favour of creating new precedents. He has further opined that it is not a matter within the purview

In the last para of the report of 31.12.33 the Amildar clearly says that it is an important institution and it speaks lack of interest in the Dharmadarsis when they did not go to the temple because the Jatra was not given according to their wishes & that they can create trouble. Whether there is any great force in this is a matter for consideration. The M.C. has been empowered to dispose of the claims for Agrathitha and other honors in temples (Vide para 5-(4) of Govt no 1933-4/Mug 26-26-6 of 21.4.28).

Archak Rama Bhatta in his statement of 5/12/33 has stated that about 13 people who were not of Mondyalya Gotra & resided at Nuggihalli had been one after the other in succession of the 4th Tirtha Mantapa, that he does not do anything against the mamool, that on 19th night & 20th night he was persuaded by the Convenor Mr. Keshaviengar & Mr. Gopala Krishna Iyengar to go against mamool & as Sanctity has held in Conference the 4th Tirtha Mantapa so as not to give room for any disturbance

16. The appellant states that his claim to the fourth thirtha is based on mamool. But the mamool seems to be of recent origin, as it seems to owe its origin to the gift of some lands to the temple by one Smt. Chelluviengar on 6th July 1852. The Dy. Comr., Hassan &c. has held that there is no sufficient material to hold that the appellant is entitled to the honour on account of the grant of land. (Vide his order No. R-D-is.c.-2164-33 dated 9th March 1935) The archak of the temple states in his statement dated 5th Decr. 1933 that during the 54 years that he has been in service that the fourth mariyade was shown to the oldest Sri Vaishnava Brahmin present and that the resolution of the Dharmadarsis to give it to a Brahmin of Moudgalya gotra is an innovation. The order of the Dy. Comr. has been confirmed by the Inspl Comr. It is a point for orders whether there is any reason to interfere with the orders of the Inspl Comr. who

the grounds of appeal mentioned by the appellant.

The facts of the case are detailed in the Muzra commissioners order

XV

The Mamool of Tank Tirtha claimed by the appellants is not based on any grant or authority and the so-called usage is practically a recent one & is not so ancient as to justify its perpetuation. Admittedly it has not also been uninterrupted as several persons not of Mangalapuram have had their Tank Thirtha. No grounds exist to create an unnecessary undesirable precedent.

THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Muzrai Appeal No. 21 of 1936-37.

Appellant:- N. Gopalakrishniengar, Postmaster,
Nuggehalli, Channarayapatna Taluk.

Respondant:- Venkataramiengar, Nuggehalli.

Subject :- Fourth Theertha Maryada in Sree Lakshami-Narasimha Swami Temple at Nuggehalli, Channarayapatna Taluk.

The appellant above named respectfully begs to appeal against the order dated 17-10-36 of the Muzrai Commissioner in Mysore in appeal No. 8 of 35-36 confirming the order of the Deputy Commissioner of Hassan on the above subject matter.

1. The appellant is of Moudgalya Gotra and is a permanent resident of Nuggehalli from the time of his ancestors. Sree Lakshaminarasimha Swami in the above named temple is his family deity and so also of other Sree Vaishnavas of the Hebbar community belonging to the same Gotra.

2. The respondant at whose instance the question of who is entitled to the fourth Theertha Maryada was raised, is not of Moudgalya Gotra and Sree Lakshaminarasimha Swami is not his family deity. He has not been a permanent resident of Nuggehalli.

3. The order of the Deputy Commissioner which is confirmed by the Muzrai Commissioner says "I have rejected the claim of the Moudgalya Gotra people for the fourth Theertha Maryada

in the temple as I do not think there is sufficient material to hold that these people are entitled to the honour they claim by reason of the grant of a land made by a member of that Gotra and further I am not also in favour of creating new precedents".

The claim is based upon Mamool extending over a long period almost amounting to a legal priscriptive right enjoyed by the members of the Gotra. It is not creating new precedents as the Deputy Commissioner seems to think. The Deputy Commissioner's order amounts to deprivation of an established longstanding right enjoyed by the members of the Gotra, are Endowments made by the members of referred to as an important circumstance which entitled the members of Moudgalya Gotra to special treatment by way of Theertha Marayada.

4. The claim of the respondant is not personal but is on behalf of the whole community of which he is a member. The claim as such is not maintainable in the Law.

5. The order of the Deputy Commissioner is not in accordance with the evidence of disinterested witnesses and probabilities of the case. Moreover it is too general and vogue and is therefore difficult to be carried out.

6. There is ample evidence of disinterested and elderly acharyapurushas who have from a long time been enjoying the privilege of the 1st, 2nd and 3rd maryadas and others and who as such have direct and first hand knowledge of the long standing enjoyment of the 4th Theertha Maryada

~~under~~maryada by the Moudgalyas. The appellant also has given statement before the Amildar whereas the respondant has not chosen to give a statement before the Amildar who first enquired into the matter.

7. The mere fact that on some occasions elderly persons of other Gotras were given the maryada at the instance and with the express consent of the member of the Moudgalya Gotra who was entitled, does not militate against the claim of the appellant. The learned Muzarai Commissioner erred in his conclusion that the explanation offerred was not convincing.

It is not difficult as observed by the Muzrai Commissioner to decide who all look upon Sree Lakshaminarasimha Swami as their family deity. So far as the appellant who has been a permanent resident of the place for ~~mmk~~ more than 40 years, is aware, among the Hebbar Iyengar Community the devotees of the deity are those belonging to the Moudgalya Gotra and the family of Mr. B. Garudachar, advocate Shimoga of a different Gotra.

9. Since 1923 to about July 1933 the appellant, being the eldest among the Moudgalyas, present was receiving the Maryada. When Mr. Lakshaminarasimhiengar came to the place, the Maryada was given to him, as he was older than the appellant, till about November 1933 when dispute arose.

10. The appellant submits that the gentlemen who are not devotees in the sense that they worship Sree Lakshami-Narasimha Swami as their family deity cannot claim the Maryada as a matter of right.

11. The appellant respectfully prays that the Government may be pleased to pass orders reversing the order of the Muzrai Commissioner and confirming the order of the

the Amildar recognising the right of the Moudgalyas, or in the alternative, directing the fourth Theertha Maryada to be given to the eldest of the Hebbar Iyengar devotees in the sense that they recognise Sree Lakshami-Narasimha Swami as their family deity. Appellant further prays that he may be ~~examined~~ heard before the final disposal of this appeal.
